

Ricoh THETA Z1 360° Shooting Kit

This custom kit is perfect for location 360° photography and video, ideal for a school virtual tour.

The flagship model, achieving the highest image quality of the THETA series.

The kit comes complete with Monopod & base (extendable to 170cm), Selfie stick, Ricoh THETA Z1, USB charger and lead all in a tough weatherproof case.

Demonstrates superior noise reduction performance even when shooting at night or indoors with low light due to the equipped 1.0-inch back illuminated CMOS image sensor.

Theta 360° cameras and ExpeditionsPro make it possible to create powerful VR experiences and share stories. Published tours are easily shareable and embeddable on websites, blogs and social feeds.
