

intimus AutoShred 180 CP4

FULLY AUTOMATIC OFFICE SHREDDER

Up to 5 users

P-4 | Autofeed shredder equipped with a sheet capacity of 180 sheets and a bin volume of 32 litres

Shredding material:

- Paper with staples and paper clips
- Plastic card

START. LOAD. AND LEAVE. DONE!

Autofeed shredders are revolutionizing document disposal methods. The intimus AutoShred 180 CP4 automatically shreds up to 180 sheets of paper, significantly saving time and effort compared to manual feeding. This innovation boosts productivity and efficiency in bustling office settings, enabling users to multitask while documents are securely shredded. Even after you've completed your tasks, the intimus AutoShred remains dependable, continuing to work efficiently for you. The compact size and the 32-litre waste bin makes it ideal for regular offices or workspaces, allowing for convenient placement without sacrificing performance.

KEY FEATURES

- Compliant with security level P-4 standards according to DIN 66399 (ISO/IEC 21964), achieving a particle size of 4 x 12 mm.
- Autofeed function supports up to 180 sheets of 80 g/m² paper, including paperclips and staples.
- Capable of securely shredding credit cards.
- The intuitive touch display enhances user experience, ensuring effortless and straightforward operation.
- Operates quietly with a noise level of 58 dB(A), ensuring a peaceful work environment.
- Enhanced mobility with effortless movement on castors for added convenience.
- Features a spacious and easily removable 32-litre waste bin, capable of holding up to 500 sheets of paper.
- Equipped with automatic start/stop, overheat protection, bin full sensor, auto-reverse and clever anti-paper jam technology for uninterrupted operation for up to 120 minutes.
- Automatically switches off after 5 minutes once the shredding task is complete.

SPECIFICATIONS

Area of application	Office
Feed type	Manual, Automatic
Cutting size paper (mm x mm)	4 x 12
Cutting type paper	Cross cut
