

16K Pressure Levels — World First

Deco Pro (Gen 2) Series

Drawing Tablet

Image simulated for illustrative purposes. The Wireless Shortcut Remote is included with Deco Pro XLW (Gen 2) and sold separately for other models.

16K pressure levels.
Game-changer in details.

Introducing X3 Pro Smart Chip Stylus, featuring the world's first 16K pressure levels, 100%* higher than peers. It delivers much more precise and smooth lines than ever before — excelling at hyper-nuanced creation and beyond.

One Paper design.
Boundless space for your ideas to run wild.

Work magic on this seamless simulated paper surface — no buttons and no slits. Draw, edit, and capture ideas in a way that's so familiar while having all the digital functions to take your work to the next level.

Bluetooth 5.0.
Wireless connection without hassle.

Enjoy a fast and stable connection via Bluetooth. Can pair 2 devices simultaneously, switching between by sliding one key. Adapt perfectly to high-demanding settings and let you create flexibly and seamlessly across them.
